

# Native Plant Salvages

## Cast your vote for native plants by digging in our upcoming native plant salvage event!

The morning will be spent digging up native plants from a site scheduled for new homes. In the afternoon, we'll be potting up the salvaged plants so they can recuperate before going to King County habitat restoration sites. Once replanted, these native plants will help reduce erosion, shade streams and provide habitat. Quadrant Homes has generously provided the salvage sites.

**Note:** Volunteers under 16 must be accompanied by a parent or guardian. Volunteers under 18 need to have their parent or guardian sign a liability waiver. That form is available online at <http://dnr.metrokc.gov/wlr/pi/waiver.htm>.

**When:** Saturday, December 4, 2004

**Where:** Snoqualmie Ridge, Snoqualmie.

**Time:** Salvage 9 a.m. to 12:30 p.m. Potting from 12:30 until 4 p.m. at the holding facility (see other side for directions).

**Directions to salvage site:** From I-405 or I-5 drive east on I-90 to exit 25 near Snoqualmie. Turn left (north) on Snoqualmie Parkway. Turn left on Douglas Avenue. Watch for event signs directing you to the site.

**Dress for the weather!** We enjoy this dirty work rain or shine. Light refreshments will be provided. Please bring your own mug or water bottle to reduce waste.

**To carpool** to either portion of the event: See [www.rideshareonline.com](http://www.rideshareonline.com) to link up with another volunteer going your way.
